

September 18, 2021

With the official release of amendments to O. Reg. 364/20 Rules for Areas at Step 3, and after consultation with our local health unit SMDHU (that we have worked so closely with throughout this pandemic), Red Barn Event Centre has received confirmation that we will be required to ensure **any person 12 years of age or older who participates in an indoor class or event must provide proof of identification and of being fully vaccinated against COVID-19.** This will apply to any indoor events/classes at Red Barn, not outdoor, and will come into full effect on Wednesday, **September 22**, 2021. It applies to ALL persons over the age of 12.

Please bring proof of full vaccination to class with you so that we may view it. We do NOT want a copy and we only need to verify your vaccine status ONCE. We appreciate your patience with this change that is out of our control and ask you to allow additional time for this check to occur before your class start time.

If this legislation affects your ability to attend a class/event that you are already registered for or are currently attending, please contact [registration@redbarneventcentre.com](mailto:registration@redbarneventcentre.com) to discuss accommodations.

Thank you for your support and patience over the next couple of weeks while we update our records with this new piece of client information.

Sincerely,  
the Red Barn Management
